The Rupununi Ranchers Rodeo, is organized by the RLPA and has become the biggest tourism event in the Visit Rupununi Calendar. Drawing spectators and participants from across the Rupununi, Georgetown and Brazil it is a celebration of the regions ranching roots and lifestyle. Held annually for 2 days over the Easter weekend you can expect hotels, guest houses, restaurants etc to all be filled early. Participants are mainly local cowboys with popular events including bareback bronco, saddle bronco, steer roping, and wild cow milking. Rodeo is a time to experience the welcoming warmth of the Rupununi people. So come, watch, lime and even get a chance to participate in the Rodeo!

Organised by THE Rupununi Livestock Producers Association (RLPA)
